

# Laboratory Update

30 March 2017

## Collection Centres and times for fertility testing

### Effective from 17<sup>th</sup> May 2017

Please note the following changes to the fertility testing service offered by Labtests;

As of 17 May 2017 Fertility testing will no longer be available at the **Henderson Collection Centre**.

As of 17 May 2017 Fertility testing will be available at the **Glendene Collection Centre, 4343 Great North Road**

To enable us to continue to provide timely results we have made a few minor changes to the times patients are required to attend the collection centres.

The Labtests website will be updated to reflect these changes, please can you advise your patients accordingly.
